Hello Hillside Elementary PTO Executive Board,

Your Co VP- of Assemblies and Activities Jennifer Olland made false accusations of Child Abuse about me to Child Protection and Permanency.

her.

You should of seen how mad Terrance Campbell was when I refused to meet him in his van outside my house and forced him to go to the Waretown police station and be recorded while he spoke to me.

If you do not believe me the PTO and Hillside School can file an Opera Request to the Waretown Police for the video they made of Terrance Campbell interviewing me on March 2, 2022 at 12:00PM in the lobby of

Jennifer did this to me because she is psychopath and she is trying to get full custody of her daughters away from my good friend Joseph Dunnkosky who happens to be a very good man.

Jennifer should be expelled from the PTO and banned from school grounds.

I attached an email where I have contacted the Burligton County & Ocean County prosecutors office, the Asbury Park Press, and Jennifer's job at Fort Dix. Can one of you please forward this to the principle and superintendent of schools in Mount Laurel. I can not find their email address online.

Thank you,

Joseph Fabozzi

Someone asked why would Jennifer be so vindictive towards me?

I did hot yoga with Jennifer once while she was living with Joey Dunnkosky about 5 years ago when she lived at 105 Inlet in Barnegat. Joey Dunnkosky knew we went to yoga because he baby sat the girls.

A few days later Jennifer Olland text me she was having problems with Joey and wanted to meet up.

I took a screen shot of her text and sent it to her and Joey in group text. It was obvious to me she wanted to use me to make Joey jealous. I would never betray my good friend and war buddy Joseph Dunnkosky for chance to be with any woman. Jennifer Olland underestimated the strong bond war buddies have. Joey and I fought side by side in Iraq in 2003. I told Jennifer in the text it was inappropriate for her to contact me about her problems with Joey.

That incident really pissed her off.

Doesn't seem like he is giving up. We have not responded. Please let us know if we should. Obviously he isn't welcome at a meeting as he is not a teacher at school or a parent in the school. We will continue zoom meetings for the rest of the year. I am a little nervous he may show up at one of our events.

Thanks,
Heidi

Hello Hillside Elementary PTO,

I was falsely accused of child molestation by one of you members, Jennifer Olland.

Jennifer was willing to let me go to jail for a crime I did not commit.

2022-10079

Jennifer's false allegations against me were an evil/stupid attempt to get full custody of her daughters away from my good friend & fellow veteran Joseph Dunnkosky.

Jennifer Olland knew she had to make up a lie to get full custody of her daughters, because despite whatever Jennifer may tell all of you at the PTO, Joseph Dunnkosky is a **GREAT FATHER**.

I am calling for Jennifer's removal from the PTO.

I will be at the next school board meeting.

I attached a picture of myself so you know exactly what I look like and who I am when you see me.

I operate in the open.

I don't sneak around in the shadows telling lies like Jennifer Olland.

I will have video evidence tomorrow which I will put on YouTube and email you all the link.

The DCP&P agent specifically says on the video, "(The Child) said mommy told me to say it. Joey didn't do it. But, mommy says he did it to other girls and I have to stop him."

Jennifer Olland is a psychopath and should not be on any PTO.

I am calling for her resignation.

I would like to come to a PTO meeting.

It would be nice if one of you all replied to me.

Thank you,

Joseph Fabozzi
